New Yucca Bank To Open June 16

OPENING SET—The Security-First National Bank, Citizens Division, announced this week that it would open its branch in Yucca Valley June 14. The new bank (above) is located on the Twentynine Palms highway in the MacDonald Building. (Rodney Jones)

Open House Event June 14 To Mark Opening Of New Financial Institution

Yucca Valley will have its own hometown bank this month when the Yucca Valley Branch of Security-First National Bank officially opens its doors for an open house celebration from 2 to 6 p.m. on Saturday, June 14 in its new quarters located at 56185 Twentynine Palms highway in Yucca Valley.

The announcement was made by A. G. Vaughan, regional vice president in charge of branch offices of the bank's Citizens Division in eastern San Bernardino, eastern Riverside and Imperial counties.

It is expected that the name of the manager of the new branch will be officially announced within the next week, and that shortly thereafter he will be on the local scene personally to meet his new neighbors.

Construction of the special bank fixtures for the interior of the building is in the final stages and will be completed well in advance of the June 14 opening date. The branch will officially open for banking business on the Monday following the open house, June 16.

Yucca Valley's new branch will be the bank's 16th in San Bernardino County and the 33rd in Citizens Division's three-county service area. One of the prime factors which influenced the bank's decision to open in Yucca Valley is the recognition of the area's tremendous potential and

GOOD VOTER TURNOUT ON ELECTION DAY

Yucca Valley and Morongo Valley turned out to vote in Tuesday's primary election and at press time it appeared that the trend here on the high desert was following along the lines of San Bernardino County voting in general.

In the government race, Democrat Edmund G. (Pat) Brown was far ahead in his own party, and was leading the Republican candidate, U. S. Sen. William F. Knowland, as well.

In competition for the U. S. Senate seat being vacated by Knowland, George Christopher

(Continued on Page 5)

Work To Resume On Post Office

Construction on Yucca Valley's new post office got under way again June 4 when the slab and foundations were poured after a two-week delay while workmen were waiting for a delivery of special steel for columns.

Whether or not the building would be completed by July 1 could not be determined by press time. The post office has leased quarters in the Chamber of Commerce building temporarily until that time, when the Sheriff's Department is expected to move in.

Earlier in the week, Roy Roush, president of the Chamber, called E. L. Mayfield at the post office department in Los Angeles and expressed his concern at the slow pace at which construction is proceeding.

At that time Mayfield was surprised to learn that there had been any halt in construction and told Roush that every effort would be made to expedite the building program.

WORK TO START ON CLUBHOUSE

The Yucca Valley Woman's Club announced this week that a variance had been obtained on property across Onaga from the Hi-Desert Park and that construction of a new clubhouse would begin within 45 days.

The variance, granted by the San Bernardino County Planning Commission, made it possible for the club to go ahead with plans to develop the property. The lot will be graded and dust proofed and parking space made available for 20-25 cars.

The building, with interior space of 800 square feet, will be of modern design and will contain equipment for the benefit of members.

Citation Given For Burning

A Yucca Valley resident was given a citation for open burning without a permit May 28 in action that underlined the dangers of fire during the dry hot season now entering its peak on the high desert.

Mrs. Myrle Chaney was burning brush on her lot on Sirranous Trail Wednesday when the fire got out of control. The Yucca Valley fire department answered the call and arrived in time to extinguish the blaze.

June 1, the fire department answered a call to put out a fire at an illegal dump site on property owned by Bates Marriott, east of town.

Though no one person was responsible for the fire, it was pointed out that such dumps, untended as they are, create a fire hazard. The Property Owners League of Yucca Valley has maintained constant pressure to have such dump sites closed and legal action taken against violators.

SERVICE CLUB SIGN REPAIRED

The service club sign at the western entrance to Yucca Valley, damaged by high winds last week, will be repaired in the near future, according to Terry Pausch, vice president of the Chamber of Commerce.

Angle iron supports and special braces will be used in the repair work to insure against further damage, Pausch said.

Yucca Chamber Election Set For June 12

Election of officers for the next year will be held by the Yucca Valley Chamber of Commerce at 8 p.m. June 12 at the Yucca Valley school, it was announced this week.

Nominated for the board of directors are: Ken Bonser, Jack Coffman, Harold Duff, John Ehrismann, Walter Granger, Lou Holland, Dean Howell, W. E. Louis, Bates Marriott, Earl MacDonald, Dorothy McGraw, Roy Roush, John Sweesey and Everett Taylor.

Nominations from the floor will be in order at the June 12 meeting.

An amendment to the by-laws which says that: "The Board of Directors shall be elected annually by the membership for two-year terms of office, five members to be elected for two years and four for one year. The highest number of votes for two years, the balance for one year" will be put into effect at the meeting.

Rupel Accepts School Position

Myrl Rupel this week announced that he had accepted a position as principal of an elementary school in the Torrance Unified School District and would be leaving Yucca Valley at the end of June to take up residence there.

Rupel, who resigned last month as principal of the Yucca Valley Elementary School, said that he planned to take summer courses at the University of Southern California until the beginning of the school year.

GRUBSTAKE FINANCIAL REPORT

The Yucca Valley Chamber of Commerce this week announced that it had netted \$1,981.98 from the Grubstake Days celebration May 17-18. Outstanding bills of

MEMORIAL DAY SERVICES WELL ATTENDED AT YUCCA VALLEY

Traditional Memorial Day services this year were held in Yucca Valley in conjunction with the dedication of Hi-Desert Park and the dedication of the flag pole and flag in stirring ceremonies that honored those who have given their country full devotion.

The rites got under way at the park when Cub Scouts raised the flag and then lowered it to half mast as a tribute to servicemen and women who died in the service of the nation. An honor guard of American Legion Post 469 was on hand and conducted the ceremonies.

Roy Roush, acting as master of ceremonies, introduced Irene Fox, representative of the Woman's Club, who thanked Louis Tripodo for the stone work at the base of the flag pole donated by the club. Mrs. Fox said that the pole was fittingly dedicated on this day when the raising of the flag had such symbolic meaning.

Helen Key, who donated the flag, spoke briefly, and was followed by Mrs. Neal Groom who sang "Trees," in recognition of the promise held in the young saplings planted in and around the park.

C. H. Jacobs, park board chairman, in dedicating the park, thanked county officials, in particular Harold Zenz and Mrs. Cox, for their cooperation in getting the park under way.

Jacobs also mentioned that Mrs. Ida Cooper had given the park a children's swing set and a table with four benches and a porcelain drinking fountain.

The Rev. David Hansen spoke on the true meaning of Memorial Day, stating that peace and faith in peace was the memorial upon which mankind based its hopes and prayers.

The services concluded with a speech by Harvey Appler, 17th District commander of the Veterans of World War I.

Four Candidates Out For Board

Four residents of Morongo Valley have received the nomination papers and were circulating the valley this week for signatures that would enable them to run as candidates for the five directorships on the proposed Community Services District.

The date of the election was set last week by the County Board of Supervisors for July 22, and those wishing to file as candidates must do so before June 20. Nomination papers may be obtained from Edward P. Jones, president of the Morongo Valley Property Owners Assn., the sponsoring organization.

Any voter residing within the boundaries of the proposed district may be a candidate for a directors post.

Those who have received their papers to date are: Joe Scott, Lloyd Ekstrom, Ernest Kouba and Edward P. Jones.

Movie Scheduled In Park Friday

The second in the series of Moonlight Movies to be held in Covington Park will be "Dancing in the Dark," scheduled for Friday, June 6 at 8 p.m.

Filmed in Technicolor, the movie will be accompanied by a selected cartoon. Boxoffice opens at 7:30 p.m. Tickets are on sale for 50 cents per adult, 25 cents for students and \$1 for the family.

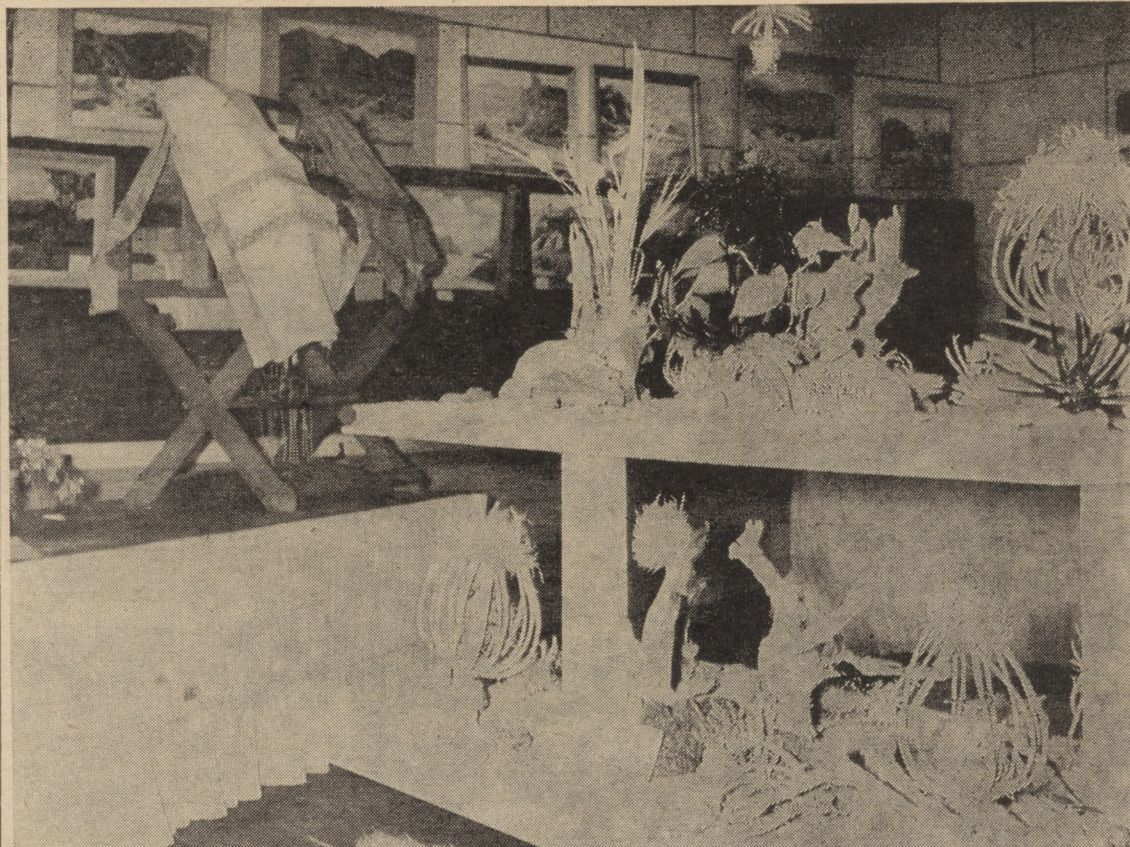

The park committee suggests that you bring your own chair. However, folding chairs and benches will be provided.

HOLD FIRST MEET

The new officers of the Hi-Desert Assembly Rainbow for girls this week held their first stated meeting with DeeDee Arnold presiding.

Special guest was Mrs. Frances Galloway, grand deputy, who was present to instruct the new officers for the new term.

Routine business and balloting was the order of the evening with plans for a rummage sale on June 28. The place will be announced

GOLF DOPE

By WES YALE

No, I have not gone into seclusion, but I have been very busy the last few weeks with Rotary Club work and increased activities at the golf course. This last holiday weekend brought the heaviest play to the course since it was opened. Seemed like nearly all of the Southern California towns were represented here at the course. Former U.S.C. football star Frank Clayton played our course last Friday and Saturday for the first time. He was very well pleased and said he was coming back again soon. Our good friends, the Kerrs from Chicago, are back with us and are making Yucca Valley their permanent home.

The M. C. B. championship match last Thursday ended with a tie between Capt. Done and Cpl. Drocher. The sudden-death play off was won by Drocher.

There is a group of women from Twentynine Palms and Yucca Valley, that is organizing a womens gold club. Any of you gals that are interested, leave your name with me here at the golf course. You do not have to be a member of the country club.

The people from Palm Springs are getting wise to our nice summer weather here at Yucca Valley as we are getting a lot of steady players from down there. I would like to see more Yucca Valley people get interested in golf. We hate so say that Twentynine Palms, Desert Hot Springs and Palm Springs are our main support.

May I end up with the little ditty entitled "Mama Took Up Golf."

She used to wield the ladle
And bake and sew and scrub,
But now the hand that rocked the cradle

Is the hand that swings the golf club.

Legion Officers Are Installed

Yucca Valley's American Legion Post No. 469 held colorful installation ceremonies June 2 following a potluck supper at the American Legion Hall. Ben Mitchell was installed as new commander.

Other officers for the new year are: Ida Van Nest, first vice commander; Harold Van Nest, second vice commander; Frank Edes, chaplain; Ray Sumner, adjutant and finance officer; Gale Taylor, judge advocate; William Harmon and Lloyd Ryan, service officers; Charles Deardon, sergeant at arms; Wade Key, historian, and Harold Brown, junior past commander.

Installation team was Voiture 36 of 40 et 8 from San Bernardino. Members of the team were: Les Swalley, Harry Keyser, Lynn Hetrick, Harry Farling, Ben Bory, Harry Todd, Bob Baisden and Charlie Griffen.

Introduced at the meeting were Charlie Haynie, commander of Joshua Tree Post No. 761 and Bob Brownell, this year's "Boy Stater," sponsored by the local post.

New officers of the auxiliary unit 469 installed the same evening by Florence Harmon, past president of the organization are:

Irene Tedder, junior post president; Emma Zorn, president; Camillia Hudson, historian; Helen Key, secretary-treasurer; Elsie Colby, second vice president; Eve Asmus, first vice president; Irene Stratton, chaplain, and Delores Friedenber, sergeant at arms.

It was announced at the auxiliary meeting that a pre-conven-

Purely Personal

by

MARK C. GREEN

WE FINALLY found time the other evening to read a book we've been looking forward to for quite a while. It was "My Life on the Mojave," by June LeMert Paxton of Yucca Valley and which has been on the bookstands for several months past.

In her book, Mrs. Paxton leaves no doubt but that her love of the high desert country has continued to grow over the years. During her quarter century of interesting life on the high desert, Mrs. Paxton has seen life change from a raw frontier existence to a modern pattern of life which is found today.

Although we were a little late in getting the book read, we thoroughly enjoyed it.

YUCCA VALLEY, it seems to us, will continue to maintain the growth and progress it has shown in recent years. Few towns could be more ideally situated for pleasant living, the business sections are showing remarkable progress with fine new stores being opened regularly, many homes being built and advances being made in many other fields as well.

During our ownership of this paper we have talked to many persons, both residents of the high desert and others, and they are all convinced Yucca Valley is bound to become the largest and most progressive community of the area.

THEY CITE the above and many more reasons for their belief and we certainly share these views. We are proud that we may be a part of that growth.

38 To Graduate From Yucca

Diplomas will be given to 38 boys and girls by the Morongo School District Board of Trustees during graduation ceremonies at the Yucca Valley Elementary School beginning at 7:30 p.m., June 9.

To be held in the multi-purpose room at the school, the program will include choral numbers by pupils, student speakers and the presentation of the class by principal Myrl Rupel.

Twentynine Palms High School principal Ted Hayes will give a speech accepting the graduates.

Following the acceptance, district superintendent Samuel McElfresh will introduce members of the school board of trustees, who will hand out the diplomas.

Following the graduation ceremony, a dance will be held for seventh and eighth grade students.

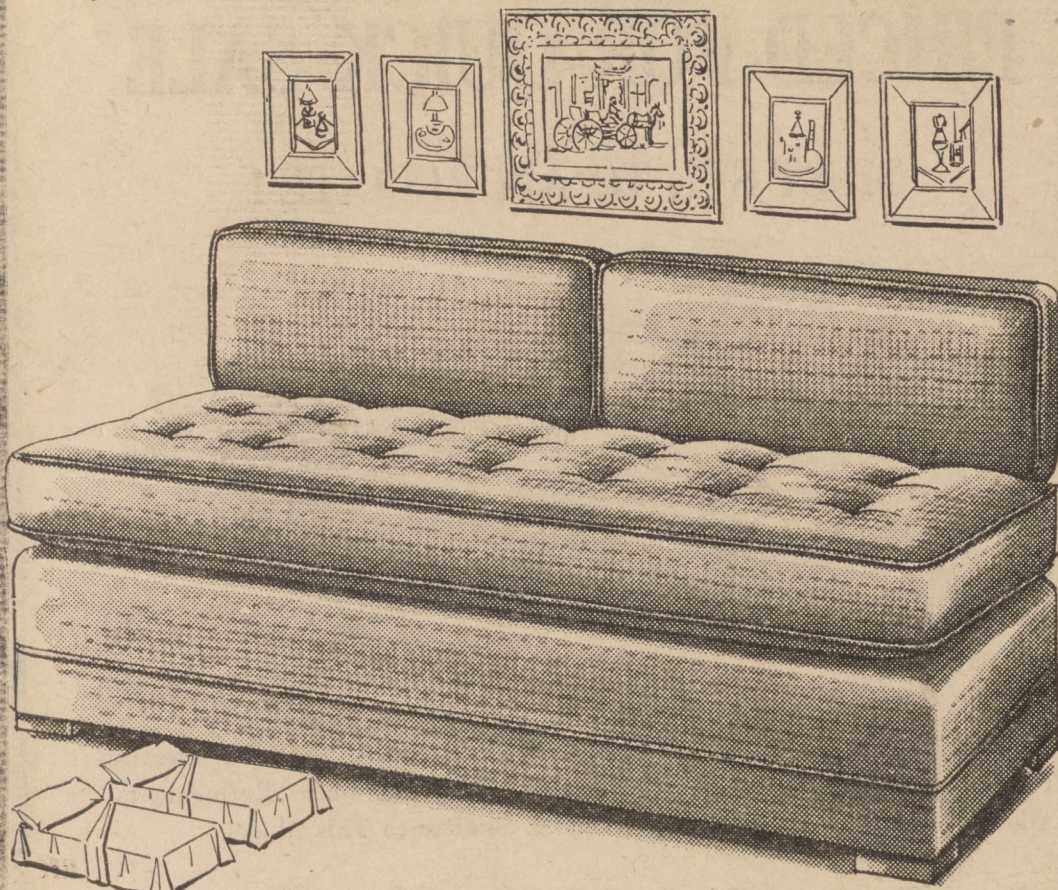

tion caucus for the 25th District, American Legion Auxiliary, would be held in the Redlands Legion clubhouse June 6 with Eve Asmus as district second vice president and Irene Tedder as District secretary.

119 Take Part In Trail Ride

By JOHN HAMILTON

Now that the Equestrian Trails' annual state ride is over I can say that nothing has given me a greater thrill than having the honor to ride as trail boss for 119 riders, all good sportsmen, astride beautiful horses of all sizes and colors.

The weather on Memorial Day weekend was ideal, as it usually is in the high desert, and the scenery in the Joshua Tree National Monument was beautiful as we rode in. At one point, where the trail narrowed down and we all strung out single file, we could see the Salton Sea. It was a stirring sight to look back and see the riders, strung out for a

mile or more, making the switch-backs in such colorful surroundings.

Those of us on the ride left Burnt Mountain and Corral Acres at 10 a.m. May 30, and stopped at Glen Bailey's to water our horses and have lunch. For the riders, I wish to thank Glen for his hospitality. Everybody was happy and made comments about how fortunate Yucca Valley's Corral No. 46 is to have the privilege of using such a beautiful place on our rides.

From Bailey's, we rode to Ryan's Camp where we spent the night. Dedication ceremonies for the newly-finished trail were held at the camp the next morning and later in the day we all rode to Twentynine Palms.

I would like to take the opportunity to thank Morgan Reche, Lee's water service of Joshua Tree and Mr. Combs of Twenty-

nine Palms for their cooperation in seeing to it that we had plenty of water on the entire ride for ourselves and our stock.

I would also like to thank Mr. Combs' two beautiful young daughters for meeting us at the Twentynine Palms entrance to the Park on their pinto ponies and getting us on the trail to our campsite Saturday night.

Also, Bill Forman, known to us as "The Marine," did a wonderful job and worked hard to get out guests' cars and trailers from Yucca Valley to Twentynine Palms. We believe everyone had a good time and went home happy.

Rotary Sponsor Of League Team

The Yucca Valley Bantam Nationals, the peewee powerhouse, have found a sponsor in the Rotary Club. The board of direct-

ors of the local service organization voted June 2 to back the determined youngsters and bring to three the number of locally-sponsored teams in the high desert Rookie Baseball League.

The Bantam Nationals have been playing without a sponsor for the past two weeks. At that

time, a group of interested businessmen, in order that the boys might play, donated the \$75 needed for the league fee, which is used for uniforms, insurance and use of equipment.

The decision by Rotary to sponsor the group gives the youngsters the prestige of any other team in the Rookie League; with their determination and grit all the team needs now is the backing of parents and some benches to sit on in order to go all the way as a winning outfit. The boys are coached by Jim Cuddihy. Their next game is scheduled for 10 a.m. June 7, when they play DAV-VFW in Twentynine Palms.

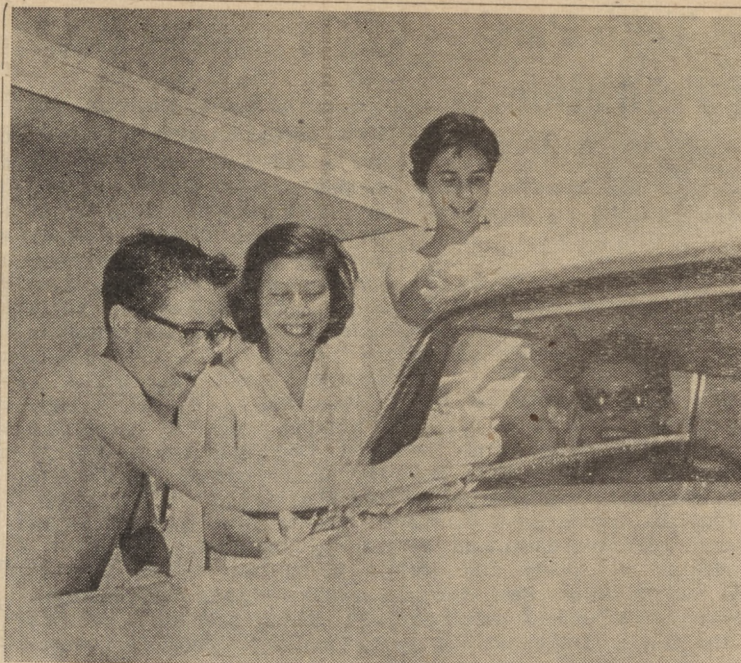

Those Yucca Valley businessmen and residents who donated money for the league fee are: Duff Brothers, Norman Granger, Odis Ray, Beauty Corral, George Lyall, Yucca Valley Lumber, Ken Bonser, Sands Motel, Felix Distributing, Yucca Valley Trading Post, Mrs. Gene Kee, Luther H. Colvin, Al Peters, Art Katje, Mrs. William King and Mr. and Mrs. Huntsman.

In other Rookie League play: the Yucca Valley Lions No. 2 squad, in the Bantam American League, is scheduled to play the Foster-Dunn team June 9 at 6:30 p.m., in Yucca Valley and the Beta Sigma Phi nine at 6:30 p.m., June 11.

In the Rookie Junior League, Yucca Valley Lions No. 1 team will play the Realtors squad at 6:30 p.m., June 5, in Yucca Valley, the Rotary at 8:30 p.m., June 9, in Twentynine Palms and the Rotary again at 8:30 p.m., June 12, in Yucca Valley.

For the complete listing of games during June, consult the schedule elsewhere in this week's Hi-Desert Star.

A new American altitude record for seaplanes was established in June 1913 at Annapolis, Md., when a Navy pilot flew to the dizzy heights of 6,200 feet.

SCRUB-A-DUB, BUB—Happy washers of the Yucca Valley Christian Endeavor group are shown as they cleaned up May 31, washing cars. No washout, the program brought in money to help pay for a camping trip to Forest Home that members are planning to take near the end of August. (Rodney Jones)

Q

Is a check good for one year after the date written on its face?

A

The law in most states is that a check must be presented for payment "within a reasonable time." In California, a bank may refuse to pay the check unless it is presented within six months.

CITIZENS DIVISION

SECURITY-FIRST NATIONAL BANK

MEMBER: FEDERAL DEPOSIT INSURANCE CORPORATION

Q. Where's the best place for your checking account?

A. Security Bank, of course! At the branch nearest you.

RECORD TRAFFIC FLOW PREDICTED

California highways will carry another record flow of traffic this summer says the California Highway Patrol.

"Motorists in California can expect to cope with the greatest volume of traffic in history on our streets and highways during the next few months," declared Patrol Capt. L. W. Watson in command of the Indio area office of the Patrol. "New record highs in motor vehicle registration will increase the traffic flow and require stricter adherence to the traffic rules if safety is to be attained."

"Drive within the posted speed limits, but never faster than is reasonable and prudent for existing conditions; drive in the right hand lane; be extra courteous at crossroads; and move with the flow of traffic," the captain stated. "Patrolmen assigned to this area will be on the highways as usual, paying special attention to the more predominant accident-causing violations."

"The Patrol asks every driver and pedestrian to cooperate by being constantly alert to the increased hazards of heavy traffic," he concluded. "Driving safely this summer will require positive and persistent obedience to all traffic rules and regulations."

PLAY IS SET FOR JUNE 5

Under the direction of Howard Miller, eighth graders of the Yucca Valley Elementary School will present a play at the school, beginning at 7:30 p.m. June 5.

To be presented in the multipurpose room, the play is entitled "Billy's First Date."

INDUSTRIAL MEET SET AT RIVERSIDE

An industrial conference co-sponsored by the California Real Estate Assn., the Riverside Board of Realtors, and the San Bernardino Real Estate Board will be held at the Mission Inn in Riverside on Friday, July 11, it was announced by Arnold Dahl of El Cajon, chairman of the CREA industrial development division.

Representatives from industry and Realtors specializing in industrial real estate from throughout the state will attend the all-day meeting, said Dahl.

"The continuing dynamic growth of industry in California has created an unprecedented demand for well-planned industrial development in all parts of the state," said Dahl. "Space in existing industrial areas is depleted and new industrial parks in good locations are completely sold out almost as rapidly as they can be planned and developed."

WRITER'S COLONY MAY BE ESTABLISHED IN YUCCA

Weekend guests in Yucca Valley included a committee from Sherman Oaks, which has found a suitable location to establish a writer's colony in Yucca Valley.

The committee includes Carol Joan Farol, former newspaper woman and Hollywood writer, who is chairman of the organizing committee; Harmony Barrett, secretary of the San Fernando Artists Club, which has 70 members, and Edith Leslie, well known TV actress who has appeared in such successful shows as "My Little Margie," "Topper," "Dragnet," "Maverick," and many others.

Miss Farol states that it is planned to establish the colony along the same plan as the Malibu Beach colony was established. The Yucca Valley colony will possibly have a Community House and a pool that may be enjoyed by visiting writers from out of state.

Miss Farol states that only 100

membership is planned at present. The members will buy their own lots and build their own house in the colony. No one will be permitted to buy a lot or rent a house in the colony who is not a writer, artist, actor or musician. It is hoped that the project will be well underway by fall.

The project and plans will be handled by Luther H. Colvin of Yucca Valley, agent for the group, who will be pleased to furnish available information.

Rotary Officers Installation Set

The Rotary Club of Yucca Valley will hold an installation dinner and joint meeting with the Rotary Anns June 30, it was announced this week by Terry Pausch, new president of the local service club.

To be installed at the meeting are: Terry Pausch, president; W. E. Lewis, vice president; C. H. Jacobs, secretary-treasurer, and Wes Yale, Joe Freeman, Roger Stine and Earl MacDonald as board members.

Time and place for the special meeting will be announced later.

THE GOOD LIFE—Brad Bradshaw, starring in the Yucca Valley Players' production of "The Tender Trap," seems bored by the attention of (left to right) Tyna English, Dorothy Kingston, Eunice Rupel and Betty Blackburn, who act the parts of his girls in the play, scheduled to run June 19-21 at the Yucca Valley school. (Al Fisher)

NEW SALESMAN

Stan Bortz is now associated with Luther H. Colvin as a real estate salesman, it was announced this week. Bortz may be contacted in Colvin's offices on the Twentynine Palms highway, next door to Callahan's Restaurant.

THREE BABIES

BORN SAME DAY

Yucca Valley went into a triple play at Ince Memorial Hospital June 2 when three babies were born to the wives of three residents.

Sherrie Deanne Rogers made her appearance at 3:04 a.m. to give Scott and Dee Rogers their second girl. On hand to greet her were grandparents Paul and Chris Hammett and Boyd and Birdie Jackson.

At 5:17 a.m., Jack Williams O'Conner was born to Mary O'Conner. Mary and husband Jimmie have another son, Jim, who is four. On hand were grandparents Hilda and Ed Hardesty and great grandfather "Pop" Hardesty.

Donna and Raymond Royal had their second son, Michael Raymond, born at 7:45 a.m. Grandparents George and Mary Evanoff were on hand for the occasion.

NEW DISTRICT BOARD NAMES KING CHAIRMAN AT MEETING

The newly-elected Morongo Unified School District Board of Education, sworn into office June 2 by deputy county superintendent Guy Daniels, held its first official meeting after the ceremony and elected Don King as its chairman.

Elected as temporary secretary was Glenn Hardy, assistant su-

Don King, chairman of the Morongo Unified School District Board of Education, announced June 2 that the board had named John B. Brinegar as district superintendent. Brinegar, who has completed seven years in the Fallbrook Union High School District, is expected to be in the high desert July 1 to take up residence.

teacher and classified salary schedules for the coming year.

Award of contracts to teachers recommended by the elementary and high school boards were granted in most cases. Music instructor Darrell Sausser and school nurse Barbara Jackson were approved for contract, as were Elizabeth Patterson, Mary Mullen, Georgina Bradshaw, Arnold E. Martin, W. Eugene Hedley, Charles A. Child, Betty K. Wuestner, Richard Auclair and June Martin as classroom teachers for the school year 1958-59.

Toastmistresses End Season June 3

Helen Boyd was elected president for the new year as the Oro Y Azul Toastmistress Club held its last regular meeting for the season at the Wagon Wheel Drive In Cafe June 3. Others elected were:

Gloria Amrine, vice president; Helene Fisher, secretary; Esther Harwood, treasurer; Clara Brownlee, club representative, and Sue Smith, alternate.

Installation of the new officers will be held at a special meeting the evening of June 17 at the Wagon Wheel.

During the program June 3, Helen Boyd acted as toastmistress. Speakers and their subjects were: Margaret Dunn, "Utopia," Celesta Hollinger, "Moiseyev Ballet," Zella Grant, "Autobiography," and Lillian Hurst, "Autobiography."

perintendent of the present elementary school district.

Board members drew lots before the business meeting to determine the length of their terms. Since this is a new board, the terms must be staggered so that there will be a member up for election each year. Ensuing terms will be for four years.

Those serving four years terms are Don King and Verna Eversmeyer; Ethel Stine will serve three years, Margaret Lutz for two years, and George Mull for one year.

The board also approved the name of the district as The Morongo Unified School District. Other formalities included the approval of a six-weeks summer music program and the adoption of

LEGION BUYS HOME IN JOSHUA TREE

The Jack V. Rice Post No. 761 of the American Legion in Joshua Tree has purchased a home of its own where members can hold meetings, it was announced this week by Charlie Haynie, new commander of the local organization.

The building, 20 by 40 feet, formerly was occupied by Peterson's Cabinet Shop.

The post raised money to buy the hall through rummage sales, turtle races and plain hard work, Haynie said.

Two years old this month, the post has 38 members.

NEW ROTARIANS

Three new members were welcomed into the Rotary Club of Yucca Valley at the regular meeting June 2. The new comers are Norman Granger, Lou Holland and Robert Howell.

Come in and see the new print shop where you get the finest work. Sentinel Press, FA 9-4471.

TODAY'S meditation

Read Acts 6:1-8

These that have turned the world upside down are come hither also. (Acts 17:6.)

Sometimes we see "Do Not Disturb" signs on doors to rooms in hotels or hospitals. These signs seem to hang also on the doors of some churches and minds.

We have come a long way since Pentecost, but some of our distance may have been in the wrong direction. Our own com-

fort, our consciences, our conduct have been dictated more often by respectability than disturbed by the implications of the gospel. Because we have been soothed by the gospel, our response to it does not disturb others — nor transform the world to which we have been conformed.

The early Christians gave themselves up to the power of the Holy Spirit. As a result, they had a disturbing effect on others, who wondered and were amazed. Early Christians had the reputation of turning the world upside down. Because the Holy Spirit prompted them to good works, their jail sentences became titles of honor.

Prayer: Our Father, when our lives are filled with self, the seeds of unhappiness are sown in us. Empty us of self that we may be filled with the Holy Spirit. Produce in us such fruit as love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. In Christ's name. Amen.

THOUGHT FOR THE DAY

As a Christian, what will be my influence today upon persons about me?

Additional Bible Reading—
Revelation 3:1-22

Appraiser Job Exam Scheduled

The California State Personnel Board this week announced that examinations for the job of assistant real property appraiser and negotiator will be held on July 12. Final date for filing applications is June 20.

The job, with a salary range of \$481 to \$584, calls for a person who can make estimates and appraisals of real property and right of way costs for other than state highways, negotiate for purchase and lease of real properties, etc.

Positions exist with the Division of Beaches and Parks in Sacramento, San Francisco and Los Angeles; with the Division of State Lands and the Department of Water Resources in Sacramento and Los Angeles, and with Property Acquisition of the Department of Finance and the Reclamation Board in Sacramento.

Applications are obtainable from the State Personnel Board in Sacramento, San Francisco, Los Angeles and at the local California Department of Employment Office.

Our normal delivery on printing is one day. Try us for a "rush job!" Sentinel Press, FA 9-4471.

New Officers Of YV Woman's Club Installed

One of the outstanding events of the year for the Yucca Valley Woman's Club was the installation luncheon at the Commun-

ity Club May 27.

Following a potluck buffet luncheon, the new officers for the coming year were installed by Mrs. Sandy Whytock, the new president of the Twentynine Palms Woman's Club.

Mrs. Walter Jinkins assumed the presidency; Mrs. Terry Pausch, the office of first vice president; Mrs. Rene Mellette, second vice president; Mrs. Louis A. Omundson, secretary; Mrs. Wadie Key, treasurer; Mrs. John Howland, corresponding secretary; Mrs. J. W. Yale, parliamentarian; Mrs. C. H. Jacobs, historian.

An informative and interesting talk on the objectives and achievements of federation was given by the guest speaker, Mrs. Edward Burns of Artesia, state federation extension chairman, who stressed the importance of moral and spiritual values in our daily lives, our homes, and our clubs, recognizing that to achieve

peace there must be greater understanding of the peoples of the world, especially of their religious beliefs and customs.

Piano selections were played by Mrs. Velce Macklin of Twentynine Palms, including a group of four numbers, "Impromptu" by Schubert, "Joy Is Love" by Martini, "Winter Wind" by Menotti, and "The Shepherd Boy" by Wilson.

Mrs. Terry Pausch, retiring president, was presented with a gift in appreciation of her many activities for the welfare of the club during the past two years, including the outstanding projects of a future club house, and the presentation of a flag pole for the newly dedicated Hi-Desert Park.

After a timely review of the club's objectives and interests, Mrs. Pausch presented the gavel to the incoming president, Mrs. Jinkins, who responded with a short talk expressing her sincere desire to help promote the progress of the club in every way possible.

Speaking of the various committees for the coming year, Mrs. Jinkins appointed Mrs. Ray Godwin as chairman of the art and decoration committee; Mrs. Gale Taylor, chairman of the hospitality committee, assisted by Mrs. J. R. Sweesy and Mrs. Carl E. Grant; Mrs. Louis A. Omundson, chairman of the visiting committee.

Guests of the club for this occasion were: Mesdames Sandy Whytock, Velce Macklin, Vola M. Moulton, Ella Aman, and L. B. Jarman from Twentynine Palms, Mrs. Walker Flint of Los Angeles, and Mrs. Irene Stratton.

Robin and Jack Crubb of San Gabriel spent the weekend at their home here, as did Charlotte and Ernest Brask of South Pasadena.

My brother and wife, Merle and Thelma Correll of Compton visited mother and I last Thursday, Friday and Saturday. On Friday we drove down to see the "sights" at Salton Sea. It is sure different from the high desert. Saturday, Sunday and Monday we had as our guests, Mr. and Mrs. Ted Ellis of Long Beach. Ted is my mother's youngest brother.

Robert Stoneham Jr. of Torrance and his three sons visited with his parents over the weekend. Mrs. Stoneham is working at the Post Office this week while I take a week vacation.

We are glad to see Tom Thompson up and walking around a little. His daughter and husband, Alice and Shorty Creswell and Skipper were here from Lakewood for the three-day holiday.

Windshields should be kept clean, particularly at night. Not only can a film of dirt reduce visibility as much as 40 per cent, but it can cause blinding glare from oncoming lights.

Former Resident Dies In Arizona

George Legge Stiff, 80, of Wickenburg, Ariz., died May 27, at Luke Hospital after suffering a stroke which followed an operation earlier in the month.

Stiff was born Sept. 15, 1877 in Bloomington, Md., the son of the late Moses and Tapheth Legge Stiff.

Upon his retirement in 1949 from H. O. Ehlen Plumbing Co. he and his wife moved to Yucca Valley where he became affiliated with the Little Church of the Desert at Twentynine Palms.

In 1957, he and his wife moved to Wickenburg and he was a member of the First Presbyterian Church there.

He leaves his widow, Mrs. Daisy Thompson Stiff, a daughter, Mrs. Clinton E. Fox, and a grandson, Ross Edwin Fox, all of Wickenburg, and a brother, William K. Stiff of Steubenville, Ohio.

Funeral services were held June 3 in the Wickenburg Chapel. Interment was in Wickenburg cemetery.

Drivers can increase their range of visibility especially in dark or foggy conditions by watching the vehicles ahead, according to the National Safety Council. Obstacles may show up in the headlights of the cars in front.

Marines Plan Public Show

The Marine Corps Base at Twentynine Palms this week invited residents and visitors to the high desert to attend a carnival and vaudeville show at the base June 5 and 6.

The two-day festival, being held for the benefit of the 1958 Navy Relief campaign, will feature rides for children and adults and a 55-minute stage show starring comics, singers, dancers and a music-magic act.

To be held on the lower parade field, the carnival will be open from 5:30 p.m. until 11 p.m. June 5 and from 4 p.m. until everyone goes home June 6.

HOB-NOBBERS MEET IN BRADSHAW HOME

The Hob-Nobbers Club met at Alaris Bradshaw's home May 27 and the ladies present engaged themselves in making beads out of wallpaper, a project as interesting as it is almost unbelievable.

Those attending, in addition to the hostess, were: Dorothy Nelson, Mabel Griffith, Olive Hardy, Dolly White and Honey Beckner.

Refreshments served were delicious homemade French vanilla ice cream with butterscotch and chocolate sauces.

Letter To Editor

Dear Editor:

I enclose herewith a dollar bill. Would you kindly forward me three copies of your May 15 issue, giving your chronological history of the development of that area.

I have purchased some property in your area, and now receive your regular weekly issues. Please put any overage remaining from the remittance, into the fund for crippled desert rats.

YUCCA VALLEY TRADING POST

AROUND TOWN

By DOROTHY MCGRAW

Dr. and Mrs. Nahas and children from Reseda were Sunday guests in the home of his mother, Mrs. Everett Taylor. Her grandson, Richard, is spending a week or so of his summer vacation here. I guess their schools are out a little sooner than ours here in Yucca Valley.

Fathers Day June 15th, Cards and Gifts at Stuff an' Things.

Mr. and Mrs. Howard Snelling are in the process of building a home out near the end of Yucca Trail. Pearl (Mrs. Snelling) thought she would never get tired living in a trailer house after keeping up a big five bedroom house for so many years, but after a couple of years of trailer life she decided a home was what she really wanted. This one will only be two bedrooms so maybe she won't have quite as much work to do as in the former one. Pearl loves flowers and has already dug, chopped, hoed, raked and watered until their yard already looks like a city park.

Gifts for the girl graduate too at Stuff an' Things.

The Snellings' son, Stanley, wife and children came up for Memorial Day, so Pearl went back with them to their home in Long Beach to stay a few days. Howard (Mr. Snelling) had to make a business trip up in northern California. We are proud to have such wonderful people as the Snellings to become permanent residents of Yucca Valley.

Visiting his parents, the Robert W. Childs, at their home on Condellia for the past week was Dr. Barton Childs, who has been lecturing at the U.C.L.A. medical school on genetics and heredity. Dr. Childs, on the staff at John Hopkins, will return to Baltimore this week.

Graduation for him, Billfolds - Belts - Bolos at Stuff an' Things.

Mr. and Mrs. Rutledge of the Rutledge Glass and Key Shop, took a much-needed vacation down to La Puente and the beach cities to visit their children for a few days. They saw their newest grandchild, their 12th one, only a week old, while there. The Rutledges plan to start building them a home right next door to his shop in the near future.

For her hope chest? Table linen, pillow cases at Stuff an' Things.

Lil and Bill Hurst took their first day off from work since they bought the Wagon Wheel Drive In Cafe. They went to Long Beach, their former home, and visited among their many friends and neighbors there.

Wedding Gifts, Casseroles and Can Openers at Stuff an' Things.

Mr. and Mrs. Stan Kerr have their daughter, Joy and her children, Wayne and Reenie with them until Joy has recuperated from her broken arm. Joy has just recently had her car stolen, so she said she has really had it, and I thoroughly agree with her.

Swim Awards Announced

Various awards in aquatic fields of endeavor were won by Twentynine Palms residents this past week.

The Twentynine Palms high school boy's swim team won the "C" division trophy for team title at the first annual Desert Swim Relays held at the Recreation Park Pool May 26, in Twentynine Palms.

Then from the San Bernardino County Red Cross office came commendations on three high school swimmers, who had passed their senior lifesaving and advanced swimmer certificates with flying colors.

The three, who were granted their certificates and swim suit patches last week, are Gene Ellis, Phil Benedict and Barbara Sullivan. All three are now working at the Recreation Park pool.

Winners for the Twentynine Palms crew were Doug Cook, who took first in the "A" diving, and Lee Clark, who took a third in the "B" diving. In the freestyle

swimming events Dave Williams took firsts in both the 50 and 100 yard, Brad Huber took second in the 100 and Bill Hilton took fourths in both the 100 and 200.

Dennis Dalbeck placed first in the 50-yard backstroke, Mel Outram first in the 50-yard butterfly, Carl Beckerdite first in the 50-yard breast-stroke, and the Twentynine Palms relay placed first also in "C" competition.

Bill Hilton was selected as the most improved swimmer of the Palmers, and Doug Cook the outstanding performer at the meet. Both will be back next year.

DEDICATED EDUCATOR—Don King (left) new chairman of the Morongo Unified School District, is shown May 24 as he presented a citation to Twentynine Palms High School principal Ted Hayes at special ceremonies dedicating the new gymnasium to Hayes, who has been principal of the school for more than 20 years. (Ted Richardson)

Entertainment Set For Turtle Race Program

Always the top entertainment of the high desert summer season, the National Turtle Races, to be staged in Joshua Tree June 20-22, are adding one of the top Quarter Midget Clubs of Southern California in a big afternoon of kid car racing in this year's program.

This event is to go in beside the midway and the giant Steve Merton Carnival with its "big wheel" and 10 other rides. The

whole layout will use almost 1,000 feet of highway frontage right in town.

This is the Turtle Race program the public is waiting for, and well worth the wait. The 13th running of the National Turtle Races is sponsored by the Joshua Tree Post 7264, Veterans of Foreign Wars and the town's Chamber of Commerce, with the proceeds being given to civic welfare.

A sports car gymkhana, July 5, will be one of the highlights during the 10-day run of the Southern California Exposition and San Diego County Fair at Del Mar.

53,000 Americans were injured in car-bicycle mishaps in 1957.

Mentalphysics Services Set

The public is cordially invited to attend divine services on June 8, 10:45 a.m. at the New City of Mentalphysics, located on the Twentynine Palms highway, between Yucca Valley and Joshua Tree. The Rev. Dingle's subject is to be: "What Is The True Urge Of Your Life?" one of a series of subjects uncovering life's fundamental mysteries, as taught according to the Science of Mentalphysics.

This sermon marks the mid-point of the third convention held at the New City this year, each of which have been attended by between 80 and 100 delegates from all parts of the United States.

The New City boasts many new, attractive buildings, including a cafeteria that can seat 300 at one meal, an administration building, many small, motel-like units, and a large Caravansary which houses delegates, complete with Friendship Hall and library.

There is also an experimental farm, many spacious roadways, much planned landscaping and an extensive water system.

This year's plans, just begun, are to complete the unique Preceptory of Light Project, the first half of which was completed last year, providing a most impressive teaching center for Mentalphysics conventions, as well as the First Sanctuary of Mystic Christianity, to be erected on a 30-foot elevation, and equipped with a carillon tower, from which chimes of Flemish bells will be heard all over the valley announcing divine services, concerts and programs of interest to all residents in the high desert.

Visitors are invited to inquire regarding the inner teachings and may make inquiry after services are concluded. Invitation is also extended for luncheon at the new cafeteria, and guided inspection tours over the 1600-acre property.

Until the age of 12 a growing child's foot changes in size every 60 to 90 days.
